## **Illinois 83 Lane Closures in Elmhurst**

**CHICAGO** – The Illinois Department of Transportation announced that attenuator repairs on southbound Illinois 83 (Kingery Highway) in Elmhurst will require overnight lane closures the next two nights.

Beginning at 8 p.m. Wednesday and Thursday, the two right southbound lanes will be closed between Frontage Road and Interstate 290, but access to all ramps will remain open. The repairs are expected to be completed in time for rush hour the following mornings.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
